The student must be continuously enrolled and active in school, except for summer breaks, to qualify for inclusion in the family membership.

Members paying in full by credit card will be charged a service fee to be determined by the Board of Directors. Currently, the fee is 3%.

Sales tax shall be applied according to the current tax codes for dues and all fees associated with the country club.

A late payment fee of \$100.00 will be assessed to all members who are not paid by December 31. No one will be allowed to play golf until the membership dues are paid. The manager will monitor this.

If an application for membership is received after August 1, the current year will be pro-rated if the applicant commits to join the following year also. Full payment for both the pro-rated year and following year must be made. This is for new members only and will apply to golf and social membership applications.

GOLF RULES

Any person or family residing within the boundaries of the Pella Community School district must be a golf member of the Pella Golf & Country Club to play golf on the course, except for designated open tournaments. Non-residents may play golf after paying green fees and playing with a member. Any person interested in applying for membership may play the course with scheduling approval from the club manager.

Monday evenings at 5:00 p.m., the course is reserved for exclusive use of the men's golf league during league season.

Tuesday evenings at 5:00 p.m., priority on the course is given to the ladies' golf night out league during league season.

If there is a starter, that person has full authority to enforce the rules.

Members may play in groups larger than 4 if they maintain pace with the group in front of them that consists of 4 or less players. The club staff has the authority to break up such groups if the pace of play is not maintained and to not allow future groupings of more than 4 if complaints are received regarding pace of play. Standard rules of golf etiquette apply.

Golfing members with special needs are encouraged to send a letter to the board requesting a waiver of the restriction on driving golf carts closer to the greens. Upon board approval, the member will be eligible to obtain from the club house a clip-on flag that will identify either the cart driver or a rider as being allowed to drive the cart closer to the green. The flag must be returned to the club house at the end of each day's play. A list of special needs members will be maintained in the club house for staff use only. All other course rules must be respected.

If a member leases a golf cart for the season, the fee must be paid when the course opens for play in the spring. Leased golf carts cannot be removed from club property. A lease entitles the family golf member or single golf member to the use of one cart per day. If one member of the family is using the leased cart and another family member comes out to play, that person must rent an additional cart. Annual lease members will be guaranteed a cart provided they call at least two hours before they tee off. An annual lease is good for family or single membership only, not for friends or relatives. With the annual lease the member can retain one key for a cart. If additional keys are needed, due to misplaced keys, they may be obtained for an additional \$5 deposit. Deposits will be returned to the members when the keys are returned to the club house.

Golf cart shed spaces are rented to golf members only, with a limit of one space per membership, on the basis of a waiting list maintained by the general manager. Joint owners of a golf cart must list only one name as

owner. Cart spaces may not be modified without the approval of the board of directors. Designated golf cart spaces will be documented and a list maintained by the Board. If a member wishes to temporarily sub-lease his cart space, the board of directors must approve all such requests, and the cart space shall be temporarily filled from the first name on the waiting list.

Members who own golf carts which are not stored in the club's golf cart sheds shall be required to pay the annual cart path fee. A \$20.00 daily cart path fee shall be charged for non-residents who use a golf cart for which the annual cart path fee has not been paid.

The secretary, at the board's direction, shall send a letter to any member who improperly uses a golf cart.
